

JOB DESCRIPTION

Film-Maker / Cinematographer

Location: KT2 (Travel)

Role Type: Freelance, Part-Time, Full-Time

<https://3koncept.co.uk/> (Under Construction)

3Koncept, a London-based start-up consultancy focused on developing brands, experiences and teams within lifestyle industries.

We believe in nurturing talent, fostering creativity, and helping individuals grow to their full potential. We are expanding our team and looking for passionate, motivated, and creative individuals to work closely with the Creative Director and bring ideas to life. Whether you're a student, recent graduate or **Experienced Film-Maker** what matters most is your attitude, eagerness to learn, and ability to think outside the box. We are looking for a passionate and innovative **Cinematographer** who can capture stunning, high-quality videos that tell a story and engage audiences.

Person Specification

- Must be able to travel to KT2 and be flexible to move around London for content creation and events.
- Must have own editing software, equipment, including camera, lighting, microphones, and props. (We are open to discussing equipment hire options if needed.)
- Creative
- Flexible
- Problem Solving
- Quick and Efficient
- Attention to detail
- Thinking outside of the box
- Strong Communicator
- Self-motivated & Proactive
- Thinking outside of the box
- Collaborative Spirit
- Adaptable & Open to Feedback
- Optimistic
- Trend awareness
- Multi-Tasking Ability
- Strong Organizational Skills

Qualifications

- Proven experience in filmmaking and cinematography.
- Proficiency in cinematography equipment and techniques, including lighting, camera operation, and post-production.
- Strong portfolio demonstrating your work in short films and brand storytelling.
- Creativity, storytelling ability, and attention to visual details.
- Strong communication skills and the ability to work in a collaborative team environment.
- Experience in editing and post-production workflows, including color grading, sound design, and visual effects, to ensure the final product is polished and professional.
- Knowledge of current filmmaking trends and technologies, staying updated with new filming equipment, software, and industry best practices.
- Familiarity with various film genres and the ability to adapt style and approach based on project needs.

Responsibilities

- Create compelling short films, brand storytelling content, and creative video projects that align with brand values and identity.
- Work with the Creative Director to develop visual concepts and translate them into cinematic experiences.
- Manage the cinematography, lighting, and camera setups for shoots.
- Edit and post-produce video content to ensure high-quality final deliverables.

3KONCEPT

- Collaborate closely with other creatives, including editors, motion designers, and photographers, to ensure cohesive storytelling.
- Stay current on trends and techniques in filmmaking and cinematography.
- Oversee pre-production planning, including script development, storyboarding, location scouting, and equipment selection to ensure smooth execution of the shoot.
- Ensure proper post-production workflow, including sound editing, color grading, and visual effects integration, maintaining consistency and creativity throughout the process.
- Manage project timelines and deliverables, ensuring that each project is completed on schedule and meets all deadlines.
- Maintain strong communication with clients and stakeholders to ensure their vision is accurately brought to life while incorporating feedback.
- Assist in developing creative briefs and pitches for potential projects, helping the team secure new opportunities and business.
- Contribute creative ideas and innovative solutions to projects, helping push the boundaries of visual storytelling and cinematography.
- Handle equipment maintenance and troubleshooting, ensuring all tools and gear are in working order before and during shoots.

Fee: Salary based on performance, experience, skills.
